

# Exciting Cash Carnival

Promotion Dates: July 1, 2025 – September 30, 2025

**Event Details:**

1. For CWG trading accounts in the client area, every deposit of at least \$100 USD will earn one chance to participate in the Cash Carnival draw (up to a maximum of 10 times per day), as illustrated below:

<b>Deposit</b>	<b>US\$100.00</b>	<b>US\$330.00</b>	<b>US\$690.00</b>	<b>US\$1,500.00</b>
<b>Draw Entries</b>	<b>1</b>	<b>3</b>	<b>6</b>	<b>10</b>

2. Each valid deposit has the chance to trigger an additional Cash Carnival draw opportunity. Meeting the task requirements will grant extra draw entries. Each account can only accept one additional task during the same period. The task is valid for 7 days after being triggered. Failure to complete it within this time frame will result in automatic cancellation. Cancellation or completion may trigger a reward task in the next deposit.
3. All customers participating in the draw during a given week have the chance to win an additional \$500 treasure reward. The more entries you have, the higher your probability. The winners for the previous week will be announced every week.
4. Internal transfers are not eligible for this activity.
5. Unused Cash Carnival draw entries will expire on the third day.
6. Rewards obtained from the Cash Carnival will be automatically added to the customer's wallet with no withdrawal restrictions.
7. Orders closed or opened within 3 minutes will not be counted as valid completed lots for this activity.
8. During the event, if participants engage in any violations, such as using accounts with the same IP address to trade simultaneously, or engaging in related party transactions using multiple accounts (including but not limited to CWG internal accounts, as well as accounts across different brokers) for arbitrage, malicious hedging, high-frequency trading arbitrage, quote delay arbitrage, or if more than 70% of trading volume in bonus accounts is concentrated on specific products or maintaining a fixed trading direction, CWG reserves the right to reject their participation in the event, cancel their eligibility, retract improper profits, and terminate the business relationship with the client.
9. If the registration information for the activity account (including ID, phone number, email, and other information) is found to be false or misleading, rewards obtained or transferred by the account holder from the draw activity will be

considered invalid.

10. If you make deposits or withdrawals without any trading activity, or if your account is suspected of any type of abuse or arbitrage behavior, we reserve the right to cancel any related transactions, reclaim draw prizes, suspend your account for a comprehensive investigation, and charge you a 5% transaction fee, as well as any other applicable fines.
11. The personal information provided by participants is subject to privacy protection. Winners of the \$500 treasure prize must cooperate with CWG to participate in the prize presentation activity, which may include but is not limited to interviews, photos, and the publication of the participant's full name, alias, nationality, prize amount, and other relevant information. If the commitment is withdrawn, the company has the right to cancel their activity qualification and reclaim the draw prize they received.
12. CWG reserves the right to modify the terms and conditions of the draw activity or terminate the draw activity at any time without prior consent and to make modifications to the relevant website pages.
13. In the event of inconsistencies in the translation of these terms into other languages, the English version shall prevail.
14. This activity is organized by CWG Markets (VFSC), and the final interpretation rights belong to CWG Markets (VFSC).
