

CWG cashback for a limited time !

**Transfer your account and enjoy a 0.5% deposit bonus!**

Activity period: July 1, 2025 - September 30, 2025

# Applicable areas

Global clients (except Chinese mainland) can participate (excluding PAMM/MAM accounts)

# Conditions of Participation

During the promotion period, trading accounts that have been successfully transferred after withdrawing funds from other platforms can enjoy this promotion. This promotion is only available to customers who have successfully transferred to CWG for the first time. (Each client is only entitled to one promotion opportunity, this promotion is not available for PAMM/MAM accounts);

Each transfer fund can receive the corresponding benefit rebate by completing 1 standard lot of trading volume in 30 calendar days for every \$1,000 (e.g., 0.5 lots need to be traded within 30 calendar days after transferring \$500, and 2 lots need to be completed after transferring \$2,000);

The customer submits the transfer certificate (screenshot of the withdrawal record of other platforms);

The timer will be calculated from the time when the customer's deposit is credited to the account and the activity qualification is approved.

CWG

## Reward mechanism

# Customer welfare feedback

Clients can get **0.5%** cashback on the transfer amount (no upper limit);

After satisfying the corresponding transaction volume, it will be distributed to the customer's customer area wallet;

# example:

One client who transfers \$2,000 from another platform and completes 2 lots can receive a \$10 subsidy

# The scope of activity products

The promotion is only available for forex currency pairs, XAUUSD, XAGUSD, spot and futures, as well as indices, with 10 lots of 10 lots worth 1 standard lot. Products not mentioned above are not included.  
(The contract lot size for a cent account needs to be divided by 100).

XAGUSD

spot and futures

Indices

# How to get the deposit rebate benefits?

The client completes the transfer deposit and provides screenshots/proofs of withdrawals from other platforms;

According to the approved deposit amount, the system generates the cashback amount and the corresponding trading volume and locks it

Complete the trading volume in 30 calendar days

Funds are automatically credited to the Client Area wallet.

# Event Rules

1. Only customers who deposit funds for the first time can participate, and each customer can only participate once;
2. Due to the limitation of the deposit amount of the payment channel, if a large amount of deposit is required, the customer can apply for the specific amount by email in advance and send it to [service@cwgmarkets.com](mailto:service@cwgmarkets.com), after confirmation, the customer can participate in the activity by making multiple deposits;
3. The withdrawal certificate submitted by other platforms is within 45 calendar days;
4. All cashback benefits are based on the number of closed trades completed, and open orders will not be counted towards the valid trading volume;
5. If the customer withdraws funds and the account balance is lower than the active deposit amount after withdrawal, the system will immediately cancel the activity qualification.
6. Once the trading volume is reached, the reward will be automatically credited to the account balance within 24 hours.
7. Orders opened and closed within 3 minutes will not be rewarded;
8. During the promotion period, if the participant has any irregularities, such as trading with accounts with the same IP address at the same time, or using multiple accounts (including but not limited to internal accounts of CWG, but also between accounts of different brokers) to enter the association, arbitrage and malicious hedging, high-frequency trading arbitrage, quote delay arbitrage, more than 70% of the trading volume of the participating accounts is concentrated on a specific product or maintaining a fixed trading direction, etc For other improper trading methods, CWG has the right to refuse its participation in this event, disqualify it from the event, recover its improper profits, and terminate the cooperative relationship with its customers;
9. This event can be participated in conjunction with all CWG events;
10. CWG reserves the right to change the terms of the event or cancel the event at any time;

11. This event is organized by CWG Markets (VFSC), and the final interpretation right belongs to CWG Markets (VFSC).
