How to apply?

Email activity@cwgmarkets.com after the first deposit, including CID number + "Extra points promotion" + the date of the first deposit.

How to claim:

After completing requirements post-30 days, email activity@cwgmarkets.com including CID number + total net deposit + total lots of trading + "Promotion Completion."

Extra points are credited to points within five working days post-verification of deposit and trading details.

Terms and conditions:

1. This promotion is valid for the Africa region only. Accounts (instant and classic) registered with African IDs are eligible.
2. Each CID is limited to one participation.
3. The valid net deposit period: is 30 days from the first deposit.
4. CWG credits points within 5 working days post-requirements completion. Normal point mall calculation remains unaffected.
5. Forex, precious metals, and crude oil trading included.
6. Position must be held for at least 3 minutes.
7. During the promotions, CWG reserves the right to deny the client' s qualification for participation, deduct any improper profits, or even terminate the partnership with clients if any breach of these terms and conditions is found. Breach behaviors include (but are not limited to): using the same IP address to trade simultaneously, conducting multiple accounts (including CWG internal accounts or between different brokers) for arbitrage, scalping, high-frequency trading, latency arbitrage, malicious hedging, trading oversized positions during trading hours, putting accounts under single exposure with multiple similar trades, trading products that are too concentrated and pose a high-risk condition, etc. (or when participating in the bonus promotion, if more than 70% of the account' s trading volume is concentrated on a specific product or maintains a fixed trading direction).
8. CWG reserves the right to change the terms of the conditions or cancel the promotion at any time.
9. CWG Markets (VFSC) reserves the final interpretation rights of this promotion.
